Narrative

We were dispatched to the occurred about a domestic violence issue.

Upon arrival we met with Gina Genoese. Gina informed us that she had come over to drop off some stuff for her daughter, who was spending the weekend with her father. Gina informed us that her husband, Joseph (Joe), came outside, yelling at her and telling her to "Get the fuck of the property." Gina told me she replied "It's mine as well as yours and I don't have to leave." Gina stated Joseph started bowing up to her. Gina said Joe pushed her and told her again as he pushed her "Get the fuck out of here." Gina explained that she had walked up the stairs as this is a multi story home. The first floor is the garage area with exterior stairs leading up to the main entrance. Gina continued that she fell due to being pushed by Joseph and scratched the right side of her upper hip. Gina was dressed in a halter top and a pair of sweatpants. Gina pulled her sweatpants down slightly on her right side showing Deputy Clark, Deputy Baldwin and I the marks on the right side of her hip. There were what appeared to be three scratch lines and a small puncture.

I asked Gina if she needed medical attention and Gina said no. I asked Gina if she would fill out victim/witness statement form, and Gina said she would. Gina completed a victim/witness statement form. The original will be placed as evidence into the Property Evidence section at the Sheriff's Administration Building (SAB) and a copy as an ARMS support document.

a allowed me to speak to her two children who were sitting inside car. While in the presence of Gina, I met with and told me she did not see her mom and dad argue because she was inside car with her brother watching a video. said her Mommy was crying when she got into car and said her and Daddy had an augment but did not witness the argument. told me that he was watching the video and had a set of headsets on and did not see or hear anything. said his mom was upset when he got in the car and they saw the little scratch on Mommy's side.

We then met with Joseph Genoese. Joseph informed us that he had received a text message from Gina. Joseph said he had sent her a text message about how much money she collects for child support and he expects her to pay her share of childcare. Joseph said he received a text replying for him not to "Fuckin worry about it." I asked Joseph what happened when Gina arrived today. Joseph said he was in the driveway at his car and Gina brought some stuff over for Joseph said he told her to leave and she did not leave. Joseph said Gina said she did not have to go. Joseph said she pushed him and he pushed her back. Joseph said Gina told him she was calling the cops and Joseph said he went back inside until we showed up.

I asked Joseph how Gina got the scratches on her side and Joseph informed me he does not know. I then informed Joseph that he was under arrest for simple battery, domestic related and explained the preferred arrest policy of the State of Florida and the Pinellas County Sheriff's Office of domestic violence. I explained to Joseph as he was being cooperative that I would allow him to walk to my car in our presence so the children who were still in their mother's vehicle would not see their father in handcuffs and we would handcuff him in our vehicle. Joseph replied "I want you to handcuff me now because I want my kids to see me handcuffed." I then handcuffed Joseph and escorted him to my fully marked cruiser and placed him in backseat awaiting patrol transport Deputy Fagan.

With the use of the deputy issued cameras, we used Deputy Clark's camera and I took three photographs of Gina which were e-mailed to ARMS as an attachment for this report.

When patrol transport Deputy Fagan arrived, we placed the handcuff belt on Joseph. Joseph stated he had been injured by Gina on his right shoulder. Joseph did not mention this until we were exchanging handcuffs. Deputy Clark, Deputy Fagan, and I looked at Joseph's right shoulder. We did not observe any red marks, any bruising, or any lacerations.

Joseph said he wanted to call his attorney. I informed Joseph that he could call his attorney once he got to jail and again explained

to Joseph there is zero bond for domestic violence, and he would remain in jail until after arraignment on Sunday morning. Joseph said he's going to call his attorney and have his attorney press charges on Gina.

I then completed a VIPAR affidavit and electronically transmitted it to the jail.

I provided Gina with a business card and this case number along with victims rights pamphlet, domestic violence pamphlets, and a VINES pamphlet. I explained to Gina the time for the arraignment and the location of the arraignment. Gina informed me she was not sure if she would attend the arraignment. Gina along with her two children then departed.

I made phone contact with the 800 Abuse Hotline for CPID. I spoke with Shannon, #5812. I explained to Shannon the children were present but did not witness the altercation between the parents. Shannon informed me she would make a report.
